What is this type of insurance?

This Motor Insurance Policy pays for loss or damage caused by your vehicle as well as accidental damage or fire and theft depending on the level of cover chosen. There are three levels of cover - Comprehensive, Third Party Fire & Theft and Third Party Only. Third Party Liability insurance is compulsory in Malta for all motor vehicles. All three levels of cover provide you with FREE Roadside Assistance and Breakdown Service in all Europe.

What is insured?

Motor Insurance covers the third party liability required by law (TPO) i.e. any damage caused to persons and property. Limits of liability are €6,070,000 for bodily injury and €1,220,000 for property damage. These limits apply for each accident irrespective of the number of third parties involved. If you opt to purchase Third Party Fire & Theft (TPF&T) or Comprehensive (COMP) cover you would need to establish a sum insured for your vehicle. This should reflect its market value and claims will be settled on the basis of this value at the time of loss. Apart from TPO insurance the TPF&T policy provides cover against loss or damage to the vehicle caused by fire, self ignition, lightning or explosion, theft or attempted theft. The COMP policy provides for other loss or damage to the insured vehicle.
